So Reelaxing is a purpose built 45 foot wide body Noosa Cat which is powered by twin 450 hp cat. engines, which ensures minimum travel time and maximum fishing time! For your comfort and safety we offer a very stable and safe fishing platform with extensive shade covers and the latest in electronics and equipment.

In full survey for 23 passengers and 3 crew but we limit the numbers for your comfort.

Sea Runner II is our 31ft Kevlacat and she packs a real punch with her twin 225hp 4-stroke outboard motors with a top speed of 30 knots. Maximum occupancy is 9 people plus 2 crew.
